

COMMERCIAL/INDUSTRIAL & AREA LIGHTING EFFICIENCY APPLICATION FORM

Applications will only be processed if fully completed and signed. Once completed, return to the Board of Public Works Questions?? Contact the Board of Public Works (402-228-5211),

1. **Customer Name:** _____

Customer's Account Number: _____

Customer's Address _____

Installation Address (if different from above): _____

Customer's Tax Identification Number: _____

Customer's Contact Telephone Number: _____

2. **Name of Contractor** (if applicable): _____

Address & City: _____

Phone Number: _____

3. **Equipment Information:**

Energy Efficiency Measure	Quantity	Incentive	Subtotal
Replace >=400 watt HID with 4 lamp, 54W T5HO Fluorescent High Bay		\$75	
Replace >=400 watt HID with 6 lamp, 54W T5HO Fluorescent High Bay		\$75	
Replace >=400 watt HID with 6 lamp, 32W T8 Fluorescent High Bay		\$75	
Replace >=400 watt HID with 4 lamp, 32W T8 Fluorescent High Bay		\$75	
Replace 300-399 watt HID with 4 lamp, 54W T5HO Fluorescent High Bay		\$75	
Replace 300-399 watt HID with 6 lamp, 32W T8 Fluorescent High Bay		\$75	
Replace 300-399 watt HID with 4 lamp, 54W T8 Fluorescent High Bay		\$75	
Replace <300 watt HID with 3 lamp, 32W T8 Fluorescent High Bay		\$50	
Replace <300 watt Metal Halide with 6 lamp, 32W T8 Fluorescent High Bay		\$50	
Replace/Retrofit Incandescent Exit Signs w/ LED		\$10	
Replace/Retrofit T12, 4 lamp - 4' Fluorescent with T8 and Electronic Ballast		\$20	
Replace/Retrofit T12, 3 lamp fixtures - 4' Fluorescent with T8 and Electronic Ballast		\$15	
Replace/Retrofit T12, 2 lamp fixtures - 4' Fluorescent with T8 and Electronic Ballast		\$10	
Replace/Retrofit T12, 1 lamp fixtures - 4' Fluorescent with T8 and Electronic Ballast		\$5	
Replace/Retrofit any 8' T12 with any 8' T8 or tandem 4' T8 with Electronic Ballast		\$15	
Replace >=400-watt MV Area Light with 250w HPS		\$40	
Replace 176-watt to 399-watt MV Area Light with 150-watt HPS		\$30	
Replace <=175-watt MV Area Light with 100-watt HPS		\$20	
Replace 150W incandescent with CFL - 150 watt equiv.		\$6	
Replace 200W incandescent with CFL - 200 watt equiv.		\$6	
Replace 250W incandescent with CFL - 250 watt equiv.		\$6	
Replace 300W incandescent with CFL - 300 watt equiv.		\$8	
Replace 350W incandescent with CFL - 350 watt equiv.		\$8	
Replace 500W incandescent with CFL - 500 watt equiv.		\$10	
Replace 600W incandescent with CFL - 600 watt equiv.		\$10

(if applicable) Print Name Signature Date

TERMS & CONDITIONS

PROOF OF PURCHASE: Sales receipt(s) or invoice(s) itemizing the new equipment and indicating the size, type, make, model, purchase date, and vendor must accompany each energy efficiency incentive application. In addition, the customer must include details on the lighting replaced to include the existing lighting technology (metal halide, 4-foot Fluorescent T-12, 8-foot Fluorescent T-12HO, incandescent exit light, or mercury vapor) the number of existing fixtures replaced, the number of lamps in each fixture, and the wattage of the lamps used. This information should be documented on page one of this application.

INCENTIVE OFFER: This energy efficiency incentive program covers equipment during the program year in which it is purchased and installed. Details of this program, including incentive levels, are subject to change without notice. The electric utility reserves the right to limit incentives.

ELIGIBLE EQUIPMENT: Equipment must be new, installed and operational at the customer's existing premise. **NEW CONSTRUCTION AND/OR ADDITIONS DO NOT QUALIFY!**
ISSUING INCENTIVES: Equipment must be purchased and installed before an energy efficiency incentive is issued. Falsifying any information may lead to cancellation of this and future incentive applications, a claim by the electric utility for the return of any incentive, and/or referral for prosecution. Please allow 45 days for delivery of incentives. Submitting an application with incomplete or missing information may delay processing of the incentive.

APPROVAL & VERIFICATION: Incentives exceeding \$5,000 require approval by the electric utility before purchase or installation. The electric utility reserves the right to verify sales transactions and inspect all lighting projects prior to and after installation.

TAX LIABILITY: Neither the electric utility nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the energy efficiency incentive.

ENDORSEMENT: Neither the electric utility nor Nebraska Public Power District endorse any particular manufacturers, products, or system designs in promoting this program. Equivalent products must be pre-approved by the electric utility and Nebraska Public Power District.

DISPOSAL: The customer/contractor is responsible for the proper disposal and/or recycling of any waste generated as a result of this project, including the disposal of fluorescent lamps (which contain mercury) and ballasts suspected of containing PCBs. (Any fluorescent ballast dated pre-1979 should be considered to contain PCBs unless otherwise labeled.)

SAFETY & BUILDING CODES: The customer/contractor agrees that each measure complies with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

DISCLAIMER OF WARRANTIES: Neither the electric utility nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.

If your lighting needs are not identified in the table above, contact The Board of Public Works office, and we can customize a lighting program just for you!
